## About Harder+Company

Founded in 1986, we are a comprehensive social research and planning organization with offices in San Francisco, Davis, San Diego, and Los Angeles. Our talented, multi-lingual and diverse staff of over 50 professionals are experts in a range of disciplines, including human services, child welfare, early childhood development, youth development, public health, and nonprofit management.

Our work is client-centered and utilization-oriented, intended to provide our clients with information that will help them do their jobs better. We are dedicated to creating and using knowledge to improve the well being of those served by our clients.

The focus of our work is in broad-based community development and human services. We have extensive experience working with state and local government, the public sector, nonprofit organizations and philanthropy.

In our two decades of operation, we have successfully completed over 300 client engagements. The following pages demonstrate the breadth of our experience working in California and nationally.
